Dear ACFLA Members:

As your new chapter President I would like to unveil our dynamic agenda for 2005. As we align our values with the national chapter, we are moving away from dinner/mixers to informational seminar/dinners for you to keep up with trends, re-certification requirements, network with industry purveyors and professionals and more. We will not change the "Escoffier Dinner" for your dining pleasure; it will remain our fraternal dining experience! **I urge you to get involved and make a difference!**
Whitney Werner, CEC
